

A REAL CONCIERGE SERVICE AT YOUR DISPOSAL

«Anbalaba» residents benefit from the services of a dedicated concierge team, who make day to day life that little bit easier thanks to an exceptional little black book:

CATERING

Arriving in Mauritius with a group of friends on the 6am flight, and need lunch to be organised? We'll meet your expectations as soon as you arrive to ensure you enjoy a memorable stay.

Planning a reception and need a chef or a caterer? We'll help find the perfect provider based on your needs and desires.

HOBBIES

Would you like to see the turtles who live in the lagoon? We'll organise an excursion on the water followed by a dive so you can meet them. If you want to experience Mauritius' many golf courses during your stay, we'll negotiate the best green fees for you.

CHILDREN

At Anbalaba, planning a birthday party for an 8-year-old is easy! We have more than one trick up our sleeves, both for little ones and for older children.

Time for a getaway for two? A team of childminders is available to look after your children, allowing you to enjoy a care-free evening.

TRANSPORT

Need a mini bus to visit Pamplemousses Botanical Garden with your children, parents, grandparents and grandchildren? Just tell us how many passengers we'll need to accommodate and what time you'd like to leave!

MAINTENANCE AND HOME REPAIR

Whether a bulb needs changing, a sink needs to be unclogged, a door requires repairing or something needs a lick of paint, we'll send you a competent handyman to solve all your maintenance problems as quickly as possible.

GIFTS

Need to find a gift? Whether it's a bouquet of flowers, a bottle of wine or piece of jewellery, you can count on us to exceed your expectations!

The concierge team is on hand 24 hours a day, 7 days a week to turn your expectations and desires into reality.
